

2013 - 2014 Corporate Partnership Opportunities

Solutions at Work is a nonprofit organization that partners with families and individuals to break the cycle of poverty and homelessness by providing them with opportunities to strengthen their self-confidence, professional skills, and financial stability. We approach this mission by providing moving services; children's clothing, books, toys, and gear; computers; interview-appropriate attire; and a voice.

Below are year-long opportunities for corporations to partner with Solutions at Work to help homeless and poor people achieve self-sufficiency. In addition to the partnership benefits outlined below, Solutions at Work offers structured employee volunteer opportunities to all corporate partners.
